

**WNC EdNET Instructional Technology Awareness Conference (iTAC<sup>2</sup>)**  
**Cherokee Central Tribal Schools – Education Complex**  
**8:00 a.m. – 3:30 p.m.**  
**October 29, 2010**

WRESA is pleased to announce a one-day instructional technology awareness conference to be held at the Cherokee Central Tribal Schools – Education Complex on Friday, October 29, 2010. Instructional personnel from the seven (7) western school systems (Haywood, Jackson, Macon, Clay, Cherokee Graham, Swain) and the Cherokee Central Tribal Schools are invited to participate. Based on the attendance of 800 the following participant number are allotted (does not include students).

<u>LEA</u>	<u>#/SLOTS ALLOCATED</u>
Haywood	20
Jackson	160
Macon	170
Clay	100
Cherokee	150
Graham	100
Swain	100
Cherokee EBCI Tribal	75
<b>Total</b>	<b>875</b>

**CALL FOR PRESENTATIONS**

We need more proposals for breakouts. Please encourage your teachers to present. The proposals should be completed online by going to [www.wresa.org](http://www.wresa.org), clicking on WNC EdNET Instructional Technology Awareness Conference Call for Presentations and completing the form. Proposals need to be submitted by September 24, 2010. You will be notified by October 1, 2010, if your proposal is chosen. We will need 25-30 presentations in order to accommodate approximately 875 participants. Student competitions will also be part of the conference and will be coordinated by Janet Clapsaddle.

**REGISTRATION**

Registration for this conference will be handled by each individual school system and will be submitted online. Each participant should register by the method prescribed by their particular school system.
